UD NISSAN DIESEL
Ultimate Dependability

EXHAUST

Keep your vehicle looking good, as well as directing fumes over trailers and bodies.

ROOF CONSOLE

Keep your paperwork and small items in place.

WOODGRAIN DASH

Make your cab feel like home.

NoSPINS®

For added tractability in slippery situations, UD genuine NoSPINS® allow both wheels to grip. Easily installed in the existing differential assembly of single drive or rear of bogie application.

LOCKING FUEL TANK CAP

With the price of fuel, why take the risk?

MUDFLAPS

You know they have to be fitted, so they may as well look good.

FUEL TANKS

Keep your vehicle on the move, fit additional fuel tanks to reduce re-fuelling stops and keep vehicle productivity at an optimum.

AUDIO EQUIPMENT

Make the long day shorter with decent Audio equipment. Satellite Navigation units also available.

CUP HOLDER

Compartment for small items and drinks, save cluttering your cab.

AERO KIT

Reduce drag, improve fuel consumption and enhance vehicle stability. Maximises your return on investment.

SUNVISOR

Help to reduce the blinding sun, as well as adding to the appearance of your truck. Available in fibreglass or metal (requires painting)

SEAT COVERS

Protect your investment, whilst enjoying all year round comfort. Available in sheepskin or durable canvas.

STONEGUARD

Added protection against expensive stone-chips in your windscreen. Available in galvanised or powder-coated.

HEADLIGHT PROTECTORS

Added protection for your headlights against breakages. Easily removed for cleaning.

WEATHERSHIELDS

Keep the elements out and the fresh air in.

ELECTRIC MIRRORS

Take full control of your rear vision. Heating option also available for non-electric mirrors.

FLOORMATS

Easily installed and removed for cleaning. Available in combination rubber and carpet.

CHROME WHEEL ACCESSORIES

Make sure you compete in the "Show and Shine" at the local truck stop.
